Walkers Bookshops

Company Synopsis

Walkers is a family run Company that was established by Philip Walker in 1972 in Oakham, Rutland. We currently trade from our two shops, in Oakham and here in Stamford where we have been serving the community since 1978. It has been an exciting few years for us as we have undertaken a major re-fit both downstairs and upstairs in our book department too.

Our bookshop upstairs stocks thousands of titles and we offer a next day ordering service for over 500,000 books that are not in stock. We are able to obtain virtually any book that is 'in print' in the United Kingdom for our customers.

Downstairs our three main product areas are newspapers and magazines, greetings cards and Thorntons, although we also sell a small range of stationery and a selection of lovely gifts as well.

The variety of the products that we sell, together with the fact that we are a busy shop, makes greater demands on our staff than the average retail outlet, but offers both interesting and rewarding job opportunities in return.

Walkers are fully committed to providing exceptional customer service and care and we are looking to recruit cheerful, committed, enthusiastic and hard-working staff, who will take pride in achieving this.

Thank you for your interest in a position with Walkers. We have pleasure in enclosing a job description, together with an application form and look forward to receiving your reply.
